

# WPE-B

## Battery Powered Hydraulic Pump

Product Description	Lithium battery powered hydraulic pump	Motor Power	0.4 KW
Model	WPE-B	Rotating Speed	1400 RPM
Battery	2 * 4.0Ah Batteries and 1 Charger	High & Low Pressure Flow	0.5L/min
Battery Voltage	18 Volt	Net weight	12.5 Kg including Hose
High Pressure	700 Bar	Gross Weight	17Kg With steel case
Low Pressure	70 Bar	Hose Length	2 Mts Including Quick Couplers
Oil Capacity	2.5L	Package Size	275 x 245 x 425
Tank Material	Steel	Carry Case	1

- ◆ Light weight, easy to move around
- ◆ 2 Batteries keep working for longer
- ◆ Remote control
- ◆ 2Mt hose supplied with quick couplers
- ◆ Metal carry case protects the machine when not in use
- ◆ Ideal option to go with out CM16 and CM18 Mini Crimpers
